Computanews is published quarterly as a free Acrobat pdf file [download](#).

## **ICT support in London**

### **London ICT Champion**

The [London Regional ICT Champion](#) supports VCOs to better understand ICT to achieve their missions of delivering quality services more effectively.

### **Lasa ICT Knowledgebase**

The sector-leading [ICT Knowledgebase](#) contains over 300 articles in jargon free plain English on all aspects of ICT. Discuss the articles and more at the [ICT Cafe](#).

### **Lasa Suppliers Directory**

From web designers to support companies, use the [Suppliers Directory](#) to locate independently verified high quality ICT support in your area.

### **UK riders email list**

[UKRiders](#) is a discussion group for circuit riders and others who support voluntary and community sector technology.

### **Superhighways**

[Superhighways](#) is an ICT Support and Development Social Enterprise run by and for the voluntary and community sector in South London, and collaborates with Lasa in the production of this e-bulletin.
